In my opinion, the team that won this debate was the _____ .

- *Judges should decide the round as it is debated, not based on their personal beliefs.*
- *Debaters should clearly support or attack the resolution. Clash of ideas is essential to debate.*
- *Debaters should display solid logic and reasoning, advocate a position, utilize evidence, and communicate clear ideas.*
- *Cross-examination time should be dedicated to questions and answers, rather then reading evidence or giving small speeches.*
- *No new arguments may be introduced in the NEG Rebuttal or AFF Rebuttal; however, debaters may include new evidence to support prior arguments.*
